

CHS Hour of Service 2023

On Friday, June 2nd, CHS will hold an hour of service. Each student will be assigned a service project somewhere in the school OR the school community. Please choose your top three! We will try our best to give you something that you will enjoy.

*Some of these options - such as the off campus activities - have limited spots. Those will be filled based on sign up order.

**If you choose the same activity for all three options and it is unavailable, you will be assigned where students are needed most.
