Morning Announcement

Good morning, Catoctin. This is Chad Zimmerman with a very special announcement!

It's the final countdown! As we wrap up this school year, don't forget to sign up for an **Hour of Service activity!**

This is a great way to give back to our teachers, school, and community!

Sign up TODAY or you will be assigned an area.

The Google Form is posted in YOUR GRADUATING CLASS GROUP, for me, it would be CLASS OF 2025 on **SCHOOLGY!**

Remember: one of the last activities listed on the form is *Walk the Track for Special Olympics with Unified Sports Team!* that is where you will find me & my friends-**taking laps on the track for the Special Olympics!**

A shout out to SGA who is committed to making a generous donation to the Special Olympics based on the number of participants walking the track.

So how about it, Cougars?! Let's do our part!

Go Cougars!
