Hi Carey,

That would be great to have Janet as an additional judge. I look forward to seeing you Saturday

That sounds good. My colleague Janet Ady should be able to come as well if you need more judges. She is on the county Sustainability Commission and is a Board Member of the local Audubon groups (as well as the co-chair of the Green Schools effort).

See you on Saturday.

Hi Carey,

Thanks for helping us out! If you could be there around 2:20 that way I can go over the rubric for judging the films beforehand. Thanks!

Hi Brian!

Yes, that would be great. Let me get back to you on who that would be, but count us in. I'd like to do it myself and should be able to be there.

Hi Carey,

The Thurmont Regional Library is hosting our school's 2nd Annual Human Impact Film Festival on Saturday June 3rd from 2:30-4:15.

Would you, or someone from Mobilize Frederick, be interested in being on the panel of judges for the student's films?

Let me know and I can give you more information.

Thanks!

Thanks Brian for reaching out and letting us know! I heard a little about your planting project from Anna, so glad that it is coming to fruition. I will likely be out of town on 4/13 - but I will help spread the word. I'd like to also share this news with the science curriculum team at FCPS, as it could help other schools.

For other volunteers: Have you reached out to the Thurmont Green Team? Michelle Maze has taken over Cindy Poole's role: xdragonflies@gmail.com <mailto:xdragonflies@gmail.com> <mailto:7xdragonflies@gmail.com <mailto:7xdragonflies@gmail.com>>. There may be some Master Naturalists who could volunteer as well.

Mobilize Frederick is hosting the first annual Climate Summit at Hood College on May 6. Please let us know if we can help with the Green School application process. We gathered all the application details and materials together for an elementary workshop last night and have that handy should you need it.

If I can't make 4/13, it would be great to schedule a visit. I'd like to see the trees and help share the news about it with others. Let me know when a good time to visit would be. May would work best for me.

Many thanks,

Hello,

I attended the Green Light for Green Schools/Mobilize Frederick Information session back in August at the beginning of the school year. My club has been working on our application, and one of the projects we are doing is a tree planting with funds we received from MDOT.

We would love to invite you, and any volunteers you may have, to the tree planting event on April 13th at 10am. The event will be at Catoctin High School across from the football field. I'll include a link to the location:

Thank you for attending the Green Light for Green Schools/Mobilize Frederick session during the recent in-service at TJ High School. And thank you for leading our students towards greener schools, communities, and futures. We hope you had a great first week of school!

As we shared, Mobilize Frederick's Recommendation #37 from the 2021 climate workgroup calls for 100% Green Schools in Frederick County Public Schools by 2035. The Maryland Green Schools program is coordinated by the Maryland Association for Environmental and Outdoor

Upcoming

Dates for upcoming information and training sessions from MAEOE on the Green School application process and other professional development opportunities (including MSDE credit courses) will be available by the end of August. Be sure to share your contact information on the survey form, if you would like to be notified of these dates.

Thank you for your consideration and for your commitment to Frederick County students.

Sincerely,
Janet Ady
