Good morning Ms. Bainbridge,

Would it be possible to schedule your school wide Earth Day celebration for Friday April 24th? Do you have any time today to check in or a day next week? I would love to share the ideas for the assembly and the series we discussed and get some dates locked in.

I hope virtual learning is going well.

Julie

Ms. Bainbridge,

Good afternoon. Yes, we definitely are ready to lead the Earth Day celebration with CCB this spring. Julie will respond with scheduling details, but we would love to get something on the calendar, possibly the week of April 21st.

Thanks!

Good Afternoon,

I hope all is safe and well during this crazy winter weather. I emailed the beginning of the month about setting a day for the Earth Day event at CCB this spring. Please let me know if we could confirm a date to partner with TasteWise Kids once again!

Thank you

Happy New Year!

I hope you had a great holiday.

I know we had spoken about a school-wide Earth Day celebration for 2026, but I wanted to reach out and confirm that CCB will be able to continue to partner with Taste Wise Kids. Our first annual celebration went very well last year, and we would like to make a plan for this year too. Is it too early to confirm a date?

Thank you for your continued partnership!
