Hi Shana,

Thank you so much for your excitement in supporting Carroll Park and partnering with us at FOCP! We would love to help support your cleanup efforts and can offer tools for clean up as needed. I would also love to support by celebrating these efforts on our social media (this can be before/after pictures, pictures of students' backs etc!) so as things get going feel free to send any pictures my way! I was also just connected with someone from Living Classrooms who mentioned you already had a partnership with them so we would love to find a way to connect and expand that resource as well. I am so excited to help connect CCB and FOCP and I really appreciate your initiative!

Take care,  
Camille

Good Afternoon Camille,

It was a pleasure meeting you this morning! I speak for myself and the staff and students of CCB's Green Club when I say we are so excited to partner with the Friends of Carroll Park.

We have many ideas specifically surrounding the idea of 'cleaning up' the park during our weekly green club meetings. We hope to have an ongoing opportunity to work together.

The students are looking forward to giving back in our community. Have a great weekend.
