Good morning! We are on our way to the school now. We will probably arrive right as school is starting that way we can have time to set up.

Wow busy and exciting week! Wednesday still works for us.

Have a good day,

Unfortunately we have an instructor from the BSO coming to teach the kids how to use recorders for a performance they are having Thursday at the BSO (busy week for 3rd grade)

Can we stick with Wednesday?

Sorry about that

Good morning,
We've had some last minute cancellations is there anyway we could come to Charles Caroll Barrister tomorrow 3/24? We would keep the same times at 9-10am and 10:15- 11:15.
Let me know if this is possible!

All the best,
Grace DeLuca

No problem at all, were busy people!

While they would most certainly benefit by translation to Spanish, and I'm sure enjoy it, they are use to not having it as well. We have many students who support as needed.

Awesome! Sorry I meant Wednesday the 26th.
Would your students benefit from having an educator on staff who can translate the lesson in Spanish?

You'll be in the same room. Rm 136. Lots of space and quick outside access. Our 3rd grade is a lot of fun to work with!

Tuesday is the 25th, could you confirm the date- either works for us.

No worries, Yes we would do the activity with both!

Would we switch rooms or stay in the same classroom for both? All we require is a cleared off table near a working outlet and be able to connect a laptop to a screen to show a PowerPoint.

I'm so sorry. Multi-tasking and then the word was auto corrected to 'both' can you do the activity with both classes?

Yes to both questions! And can you do this with noun classes?

Hello!
I know Masonville Cove has worked with CCB before but its been a few years, so we are very excited to come back!

Would Tuesday the 26th work? Our lesson should take about 45-50 minutes of the hour block.

There is a portion of the lesson where we would take the students outside to test temperatures of surfaces in their schoolyard. Would that be possible?

I look forward to chatting more!
Thanks,
Grace DeLuca

Good Afternoon,

Thank you for contacting us here at CCB. We would love to have you come in and work with our 3rd grade classes! I am teaching 3rd grade for the next two weeks (that is how our science rotation works) Class 1 from 9-10am (24 students) Class 2 10:15- 11:15 (22 students) If you would be able to come at those times this week or next it would be great! If that does not work for you, I can forward you on to the 3rd grade teachers, who are amazing. From

there the 3rd grade teachers could better explain their schedule and best times to arrange the activity.

Thank you,

Shana Bainbridge
