Love all of it. Thank you very much for taking the lead on this. Can we add something about wearing green that day?

Hi.

For the Go Green Day 2<sup>nd</sup> Annual CCB Celebration, I was thinking the Pre-K - 2nd grade kids can watch the below video which is about 4 ½ minutes. Then, using your idea, they can have a recycle challenge where they put the correct recycle items together along with pulling items that are not recyclable. Then if there is time left, they can draw pictures of Ecoman and Dump-It-man (from the video). Or they can skip the recycle challenge and just draw the pictures.

For the 3<sup>rd</sup> -5<sup>th</sup> graders, we can watch the below video which is about 8 minutes. While watching, they will have a list of questions to answer. Ex. What are the 3 R's? Then they can play the recycle challenge like the younger kids. Let me know what you think of this video. Too young? Different game?

Let me know what you think of the flyer. I can change anything on it.

Sincerely,
