Good Afternoon Camille,

It was a pleasure meeting you this morning! I speak for myself and the staff and students of CCB's Green Club when I say we are so excited to partner with the Friends of Carroll Park. We have many ideas specifically surrounding the idea of 'cleaning up' the park during our weekly green club meetings. We hope to have an ongoing opportunity to work together.

The students are looking forward to giving back in our community. Have a great weekend.

Shana Bainbridge

Pre-K to 5th Grade S.T.E.A.M teacher and Sustainability Coordinator
