CMIT North Team,

On behalf of the William S. Schmidt Outdoor Education Center staff, we would like to thank you for your participation in the 5th Grade Virtual Camp Schmidt Experience.

Please find a copy of the word cloud your students created at the end of the experience attached for you to share. It can also be used in your Green School application as an artifact for the 5th Grade Environmental Lesson.

We would love to get your feedback on the experience. Please complete the [Post-Trip Survey](#) to share your thoughts.

We also would like to share several links for you to share as needed.
