Good Morning--

We are still at 29 completed bags. We had some shoes come in over the weekend and we will get those together this week. The shoes are still coming in.

Good morning Jasmine-

I hope this email finds you doing well. I wanted to check in one more time and get a final update on your shoe drive. Would you give me a call or shoot me a quick note when you get a free moment?

Thanks!

Respectfully,

Cody
