

HUMANE SOCIETY
OF CHARLES COUNTY

Greetings,

We are excited to announce that the Charles County Humane Society will be coming to present an educational program titled *Pocket Pets* on Tuesday, May 31st. They will be bringing a guinea pig that students will be able to pet. If you do not want your child to pet the guinea pig or if you have any questions, please contact your child's teacher. The Humane Society is presenting free of charge; therefore, we would like to collect donations to give back to the community. The Humane Society's wishlist is below. Blankets and bath towels can be gently used. Please send in any items by Friday, May 27th.

Thank you,
The Pre-K Team
