

Third Grade students utilizing the outdoor classroom space for a STEM lesson.

Intermediate students utilizing a different outdoor classroom area for hands on math!

Second Graders take their Science lesson outside!

Primary students writing in one of outdoor learning spaces.

Kindergarten students enjoying music in one of Edgewater Elementary School's outdoor learning spaces.

Edgewater Elementary School

This February we hosted a Fun Run fundraiser and raised over \$34,000 for **AN OUTDOOR CLASSROOM**

58% of our students received donations from a total of 38 states and 5 different countries! We had over 1,200 sponsors and only 26% of those were parents!

**MYBOOSTER.COM**

Students and families raised money to support the enhancement of current outdoor learning environments and the development of additional outdoor classroom spaces at Edgewater Elementary School.
