

Hello! We appreciate your application to CCCRSPA for a mini grant. We received many! We are so pleased to let you know that yours was selected. We would like to visit you at school to give you a check for \$200, perhaps during a planning period, or before or after school. We would only take a few minutes of your time, and would like to get a picture of you, your principal (if possible), and our committee members. The date we are looking at is Tuesday, November 1. Since we are trying to visit 8 schools, please let us know all the times that would work for you that day. If that day is impossible, let us know when would be ok that week. We look forward to meeting with you!
