Good Day Mr. Clement and Mr. Smith.

Mrs. Thomas and I hope this email finds you well.

Please note that based on our PD on yesterday with the Schmitt Center, there are expected deliveries to add GMS to the 100% Green School list for next SY, and moving forward.

The Schmitt Center will provide all we need to continue our efforts as a Green School community. We have been updated with the following:

"While waiting on delivery please do the following:

Let your principal and building supervisor know about the delivery of plant material and mulch

Prepare the area for planting

Find a place to mount the pollinator garden sign (we will drop the sign off along with a 4'x4' post)".

The Green Team is seeking your approval (Mr. Clement), and your collaboration (Mr. Smith) to secure a space for the delivery, and provide next steps guidance (where applicable) for us to move forward as the Green Team, towards being a 100% Green School

In advance, thank you for your time and collaborations.

Best,

Ms. A. Peterkin.
