Hi GES just wanted to give everyone an update after our first full week of collecting farm food. As you know, I've been weighing all the food we've collected before I take it to the farm. This week's total weight of food donated to the farm wasDrumroll..... 307.8lbs Wow!!!!

I'm super proud of how the kids have taken this so seriously and I can see they take pride in their efforts. Thank you teachers for your patience with us while we've been figuring out our new clean up routine. I also want to shout out a big thank you to all the Kindergarten and Pre-K IAs and tutors for being so great with this change. I know this adds another step in your already hectic lunch. I appreciate you guys! I included some photos of our beneficiaries at the farm for your

enjoyment.

Heather Darr
