Subject: March 15 NOAA Life Beyond Light Professional Development
To:

Howdy folks!

Thank you for registering for Life Beyond Light with NOAA, in partnership with and hosted by the National Aquarium. My name is Andrew and I will be your National Aquarium point of contact for this event. I wanted to make you aware of a couple of features of our workshop on Saturday, March 15, 2025 from 8:30 a.m. – 4 p.m.

We will **NOT** be at the main aquarium building. Instead we will be hosted at the National Aquarium's Animal Care and Rescue Center at [901 East Fayette Street, Baltimore, MD 21202](https://www.aquarium.org/visit/901-East-Fayette-Street). We will have use of the gated staff parking lot for the duration of the training. Free gated parking will be available on the building's North High Street side. Staff will be on-site to assist with entry.

Please note that North High Street is a one-way street accessible from Baltimore Street.

Participants attending the workshop receive a stipend payment. To receive your payment, please download this W-9 form and return it via email to schoolprograms@aqua.org by Friday, March 14. This form must be completed in its entirety for your payment to be processed.

Light breakfast snacks and lunch will be provided. Lunch will take place from noon to 1 p.m.

Breakfast has been ordered from Towson Hot Bagels and Lunch will be provided by Ekiben.

Best,
Andrew
