Good Afternoon, Ms. Branaman,

I am the chair of the Saint Peter's Green Team and would like to reach out to you to let you know of our plans of applying for our MAEOE Maryland Green Schools certification next year. (I believe the ADW Office of Social Concerns may have already reached out to your office to discuss their visit to the school and Laudato Si' presentation, so you may already be aware of this.)

As part of our documentation for the application, I have attached a letter asking for your approval and support of this initiative. Your written response (in any format) would be greatly appreciated.

Thank you in advance for your time and consideration,

Margaret Giron
