Subject: Exciting news from the Environmental Club!

Dear faculty of St. Peter's:

The students in the Environmental Club have prepared a message for you about their special end-of-the-year recycling project.

Please see below.

Every classroom should have one collection box. If you didn't get one, please let me know.

Let's make a little effort to see how many pens and markers we can keep out of the landfill this year! Please encourage your students to recycle theirs as they work through the year-end cleaning up process.

Sincerely,
Kim Caldeira

Mrs. Kimberly Caldeira
