GENTLY USED UNIFORMS NEEDED!

We are in need of spring gym uniforms and short-sleeved polos. If you have any uniform pieces that you would like to donate to the upcoming sale, please feel free to drop them off at the front office. If you want credit for your items, please place a paper in the bag with your name. Items must be clean and in good repair; current uniform items only. (No fleeces or PE garments with the old school logo, old polo shirts, etc.).

SAINT PETER'S NO IDLING ZONE AND ART CONTEST

Mrs. Meile guided Students in grades 3 through 7 through learning about the effects of idling on our immediate and global surroundings and the students participated in an art contest to create informative reminders to keep our parking lot a No Idling Zone. This project is just one of the initiatives St. Peter's School is undertaking in to strive toward becoming a Maryland Green School.

An easy way to help clear the air, is to turn off your car as you wait for your children during dismissal. Idling vehicles release harmful chemicals, gasses and particle pollution into the air contributing to ozone, regional haze and global climate change. You can start today by turning off your car at pick up time. But also, be on the lookout next week for the beautiful reminder signs along the parking lot, created by our student art contest winners! Thanks for helping to keep St. Peter's a No Idling Zone!

ORIGINAL WORKS PROGRAM – COMING SOON!

The Original Works program provides an opportunity to order keepsakes of your child's artwork. There is a tremendous selection of products from which to choose. The online ordering process is easy, and all products will be shipped directly to Saint Peter's School. See the attached flyer for more information.

PLAYGROUND SAFETY AFTER SCHOOL

Our beautiful playground is meant to be enjoyed by all. Please remember that **after 3:00 p.m., parents are responsible for supervising their children on the playground, or anywhere else on the property. No unsupervised children are allowed on the school property.** Parents – children of all ages may use the playground. If you have older children, make sure they are being considerate of little ones.

MARYLAND AND DISTRICT OF COLUMBIA CHESS TOURNAMENTS

Does your child enjoy playing chess? Does he or she enjoy competition and being part of a team? If so, please join other Saint Peter's students as they play in locally held tournaments. There is no long-term commitment, and your child does not need to be in the chess club. If a child participates in at least one tournament that is great! A team score is the total of the top four finishers from each school per section. Contact Michelle Muhammed at 301-379-8824 if you are interested in learning more.
