Dear Homeroom Teacher,

The Green Team is working on fulfilling one of the requirements to obtain the 'Maryland Green Schools Certification' – to participate in a schoolwide celebration to increase awareness and engage further thought about taking care of our Earth. Mrs. O'Keefe has graciously offered to fulfill this requirement for middle school during Religion class, and so this email is simply to keep you informed. 😊

1. **Have students watch this 5-min. video on "Reduce, Reuse, and Recycle" for all ages:** [https://youtu.be/belXC\\_loW4o](https://youtu.be/belXC_loW4o)
2. *Here is a supplemental 5-min video on "Laudato Si":* <https://youtu.be/o3Lz7dmn1eM>
3. **Discuss answers to the following questions as a class and write a short paragraph on the heart (provided), based on class discussion.**
  - a. **Why do we love God's Earth?**
  - b. **What will we do to protect it? (why do we need to?)**
4. **Then sign it with...**

**"Love,**

**(your homeroom)"**

The hearts will be displayed on the bulletin board in the "glass" hallway, outside of the resource office. If you have any questions, please feel free to reach out to Mr. Tremblay or myself.

Thank you so much for your help and participation, and a very special thanks to Mrs. O'Keefe!!

**Ms. Eunice Pak**

**Fourth Grade Teacher, 4<sup>th</sup> and 5<sup>th</sup> Math**
